

iPad Kiosk Floor Stand

SKU: T2436

<https://www.tryten.com/ipad-products/ipad-kiosk-floor-stand.html>

This floor standing iPad holder secures your tablet while enhancing your user's experience. This simple floor stand for iPad is a completely reliable anti-theft solution for your valuable iPad and the data it houses.

Intuitive Design

- Simple, yet sophisticated design
- Clean surface lines making it adaptable to any environment within retail, education, healthcare, and more.

Versatile Views

- Choice of open faceplate (home button and front-facing camera accessible) or closed faceplate (home button and front-facing camera not accessible)
- Choice of portrait or landscape orientation.
- Compatible with iPad Air 1 and Air 2, and iPad Pro 9.7". Choose what works best for you and make it your own!

Tamper Proof Security

- Completely encloses the iPad to prevent tampering with control functions and prohibit the use of the rear camera.
- The closed faceplate option also prohibits access to the Home button and front camera.
- Our pick-resistant lock keeps your tablet secure and provides you with absolute peace of mind.

Options

- White or Black
- Open (Access Camera/Home Button)
- Closed (Hide Camera/home Button)
- iPad Air 1, 2, Pro 9.7
